

GOLDBERG BROTHERS

BARN DOOR HARDWARE

BARNFOLD® SERIES

Now barn doors can fit almost anywhere!

Goldberg Brothers is proud to present a breakthrough in barn door hardware design. Our Barnfold® Series features the popular style of conventional barn doors while building on the space-saving efficiency of bifold doors!

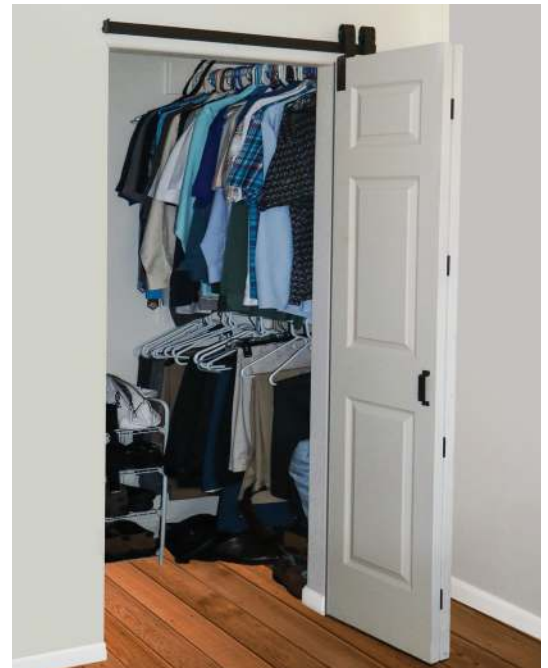

- Needs only 5" of adjacent wall space for a clear opening
- Can be installed to open either to the left or to the right
- Keeps all of the width and height of the doorway usable
- Does not obstruct the floor - no channel guide needed
- Weight limit 125 lb (2 doors) or 250 lb (4 doors)
- Tracks available in 13 lengths from 24" to 96"
- J strap or J top mount hanger styles
- Choose from raw steel or 16 powder coating colors
- Available in 2-door and 4-door configurations
- Fits 1 $\frac{3}{8}$ " doors (1 $\frac{3}{4}$ " adapter kit also available)
- Perfect for closets, pantries, and laundry closets

2-door Barnfold® sets (with track) include:

- One track
- Left and right swiveling J strap or top mount roller hangers
- One fixed hanger stop and one adjustable hanger stop
- Bottom pivot kit
- Anti-jump block
- Four 2 $\frac{1}{2}$ "x1 $\frac{1}{2}$ " hinges
- 4" pull handle
- One set of hinge installation templates
- All necessary bolts, nuts, screws, etc. for a two-door installation

Top mount hangers
also available
